

## **Bayonne Lions Club Donates AED Unit**

The Bayonne Lions Club recently donated a defibrillator for Bayonne's finest to the Bayonne Police Department Fund. Defibrillators or AEDs, as they are commonly called, are credited with saving lives and increasing survival rates nationwide in emergencies involving coronary disease. These devices are now standard with response units, and the Lions were proud to donate one to our Police Department.

Seen here at the presentation are (l-r) Dr. Walter Wiechetek, Police Director Mark Smith, Ms. Annette Rubin, President Matthew Dorans, Chief of Police Robert Kubert, Mickey McCabe, Anthony Campano, and Ralph Pasqua, Jr.

Bayonne Lions have been serving the community since 1947, and are primarily involved in vision programs. This year they will launch their vocational scholarship program for 2006 graduates.

Bayonne Lions meet every second and fourth Tuesday of the month at RnBz at 234 Broadway.
